turnerhomeinspection.com

FOR INSURANCE AGENTS AND THEIR CLIENTS

Help your clients earn their insurance discounts

Licensed inspections that insurance companies accept, from an inspector who has done more than 18,000 of them across the greater New Orleans area, the River Parishes, the North Shore and the Baton Rouge area.

FORTIFIED Roof evaluations

Silver and Gold designations, including Louisiana Fortify Homes Program grant homes. Over 500 completed.

Wind mitigation surveys

The documentation your client needs for wind mitigation credits, from a state-registered surveyor.

4-point inspections

Roof, electrical, plumbing and water heater, heating and cooling. A licensed home inspector, as Louisiana law requires.

Roof, mold and moisture

Roof condition reports for underwriting, plus mold, moisture and indoor air quality testing.
